LOCAL COMMUNITY GROUPS

SICAP can help your local community group with:

- One-to-one and group meetings
- Networking opportunities
- Helping to prepare community action plans
- Training in key areas e.g. governance and applying for grants
- Identifying skills needs and training for board/committee members
- Options for setting up a social enterprise

What people said

"Very useful to us in setting up our organisation – we’re at the beginning – it will give clarity."

"Their professionalism and hard work has enabled the forum to build its membership. We look forward to continuing our journey together."

**What people said**

“Since we started with SICAP, my life has changed... I had more experience in different things like how to write a CV, how to communicate with people and interview skills...”

“I am so hopeful now on leaving the workshop, armed with all the tool kit information.”

“I was delighted at the newness of the course material, very cutting edge.”

“I enjoyed my time here, first time to do this, it was really beneficial. The training was excellent.”

“This course gave me the confidence to put myself out there and I have now gone on and joined the Healthcare Course.”

“Excellent social enterprise course which will add value to the overall package of my business proposition.”

“The trainers delivered the social enterprise course in a professional, relaxed and encouraging manner. Hugely beneficial to starting my own business.”
